Summary

Results-driven **Paid Media Marketer with 5+ years of experience**, skilled in **Meta** and **Google** advertising, managing six-figure budgets, and end-to-end campaign execution. Proven track record of generating **3.1x+ ROAS** through **data-driven campaign optimisation** and **audience targeting strategies**. Achieved significant growth outcomes, including **45% higher reach**, **24% higher engagement**, and **38% more leads**. Proactive and driven, with a strong commitment to continuous personal and professional development.

Experiences

Advertising Executive **Sept 2025 - Present**
Crafted **Ipswich, United Kingdom**

- Supported a diverse portfolio of **5 high-profile clients** across luxury hospitality and international e-commerce sectors, managing paid media activity for accounts with **annual budgets up to £400,000** per month. Consistently achieved client objectives, delivering an average **ROAS of 3:1** and exceeding **key performance indicators by 12%**.
- Managed and optimised **500+ads** for **Preferred Hotels & Resorts across Meta, SA360, and GMP Studio** pulling through from live feeds. Leveraged template-based workflows and advanced Excel functions (**VLOOKUP**), automating 70 hours of manual data population monthly/quarterly, **reducing manual errors by 30%**, and accelerating **campaign production by 40% at scale**.
- Handled the end-to-end setup and execution of **Meta lead generation campaigns for Persimmon Homes**, delivering up to **30+ ads weekly** in response to fast-paced business requirements.
- Owned the end-to-end social boosting for organic content across **MUJI Europe's** Instagram, driving a **45% increase in reach** and a **24% higher engagement rate**. Developed structured naming conventions and conducted **A/B testing** across **3+ creative formats**, leading to a **18% uplift in content performance** and **cost efficiency improvements of 11%**.
- Transformed in-platform campaign data into actionable insights through performance analysis across platforms such as **Campaign Manager 360** (Floodlight reporting), informing optimization strategies that **improved campaign ROI by 16%** and **reduced CAC by 10-20%**. Regularly presented findings during monthly client meetings (for MUJI Europe and Preferred) and contributed recommendations that informed strategic decision-making, leading to **9% growth in key accounts**.

Meta Ads Consultant **Jan 2025 - Mar 2025**
Arctic Bee **Leeds, United Kingdom**

- Developed and launched **5+ targeted Meta ad campaigns** for lead generation, resulting in a **38% increase in leads** within 8 weeks.
- Built and tested **10+ custom and lookalike** audience profiles, leading to a **19% improvement in click-through rate (CTR)** and enhanced targeting precision.
- Implemented **Meta Pixel** for effective tracking and retargeting, enhancing conversion rate by 24% through **event-based conversion tracking** and **dynamic retargeting**.
- Analysed **campaign performance** weekly and optimised creative and audience targeting, increasing return on ad spend (**ROAS**) **from 2.1x to 3.5x**.
- Reduced **cost per lead (CPL) by 22%** through data-backed campaign optimisations and strategic budget allocation, **maximising ROI**.
